Crazy Talk Cam Suite Pro Error Message in Windows   7.
Version : V3.0.3708

Solution:

There is a patch for the Crazy Talk Cam Suite Pro in Win 7.

1.   Please download the patch and save in your PC.

http://download.geniusnet.com/2011/WebCam/CrzayTalk%20CamSuite%20Pro%20V3708%20Patch.zip

2.   UnZIP the file into your disk.

3.   Refer to the Note.txt   for installation.

How to install RLTransformfilter.ax??

--> Step 1 : Right click Install.bat

--> Step 2 : Click Run As Administrator
